## Q&A

How can I re-create that authentic Christmas-tree scent in my home, without having to buy the real thing?

*Scentsicles are discreet scented hanging ornaments that you can hang in an artificial tree, garland or wreath, to re-create that authentic, fresh scent in your home. Choose from spruce or fir for a tree scent, or add extra festive aroma with cinnamon, snow berry or silver birch (exclusive to John Lewis).*

*Scentsicles are available from John Lewis, Waitrose, Homebase, Lakeland, Weyvale and Dobbies, priced at £6 for six.*
